PAC President's Report (Rebecca Leboe):

- Summary of the year. Fundraising initiatives were not quite as successful as last year, but we were still able to cover everything we planned to. New President will be incoming this year.

PAC Treasurer's Report (Michelle Woodsworth):

- Unable to attend - will be provided later.

Principle's Report (Robbie Franklin):

- Gardom Lake was a success. Winter Concert - Creekside Theatre not available this year. Need to explore other options. Grade 5 Farewell - 21st. Discussion around new Indigenous artwork. District Track Meet was a success - several finishers from OTS. Very proud of OTS kids and their sportsmanship. Thank you to Rebecca and Heidi for their hard work as President and Vice President.

Standing Committee Reports:

COPAC Update (Victoria Thew): None

Hot Lunch (Heidi Starr): None

Yearbook (Corie Robson): Sales are down this year (103 last year). This year 75 orders, including digital copies. Recommend survey to parents regarding yearbooks - *Approved*. Look at listing on Hot Lunch system few times per year, with ability to spread out payments. Nine art entries for cover - recommend holding contest for longer period, with deadline after March. Host winning covers in display case. Grad Write-ups: window April 1 - May 15 next year. Plan Yearbook Committee for September - can assign parents to take photos of various events for yearbook.

LifeTouch (Corie Robson): Lots of issues this year with quality and miscommunication. Previous perks offered have been removed. Recommend discontinuing LifeTouch and exploring local options instead - *Approved*. Will have additional information September.
